Re: Request for Certificate of Correction

The Certificates of Correction Branch received your request to substitute drawings printed in the Letters Patent for formal drawings.

Your request has been denied. The examiner clearly stated in the Notice of Allowability, March 23, 2005, that, "The drawings filed on November 17, 2003 are accepted by the examiner".

The file does not contain a Notice of Draftsperson's Patent Drawing Review requesting corrected or formal drawings. In addition, formal drawings must be entered prior to paying the issue fee.

In view of the foregoing, applicants request in this matter is hereby denied, however, a certificate of correction will issue to correct the remaining error noted in applicants request. Any inquiry concerning this communication should be directed to Ms. A. Green at (703) 308-9380, ext. 123.
